Why dance with the Morris?

If you ask someone to name something traditionally English many will say Morris Dancing. In one form or another Morris Dancing has been performed in England for well over 500 years. The Yateley Morris Men are passionately proud of our English folk dance heritage and believe in doing whatever we can to keep the tradition alive.

But that's not the only reason we Morris dance. It's actually great fun. No – Really great fun! We always have a laugh and enjoy watching the reaction from our audiences as we caper about. We are a very friendly and relaxed group of lads from all walks of life who get together and share in the fun. It's a great form of relaxation and a complete distraction from the stresses and strains of everyday life. This is probably why Morris has been and continues to be danced over the centuries. It brings pleasure to those who participate and those who simply want to enjoy watching the show.

Have a go!

I hope you enjoy watching the Yateley Morris Men in action. We are always very happy to hear from anyone who would like to have a go either as a dancer or as a musician. Just talk to one of the lads and we will properly introduce you to what we think is one of the best social pastimes you could ever wish to be involved in. If you don't believe me come and talk to us – or just look at the beaming smiles on our faces as we perform!

Thank you for watching us

About Us

The Yateley Morris Men have been in action since 1975 and are based in Yateley, a village tucked away in the North East corner of Hampshire. However, our members come from a wide catchment area.

Thank you for watching us

Hiring Yateley Morris

As well as dancing for our own enjoyment we are often asked to perform at local fetes, corporate events and private functions such as weddings and birthdays.

The energy, colour and fun of the Morris, combining traditional dance and music with opportunities for group participation, is a great way to get any event off to a lively start.

If you would like to discuss having Yateley Morris at your event, call our bagman on 07880 706162 or email bagman@yateleymorrismen.org.uk – but don't delay we do get booked up quite early in the year.

Health Warning

Plans can change in unexpected and unanticipated ways. Please check our website for the most accurate information about our activities.
